Teacher Articulation Card Directions

These cards are a quick and easy way to get your teachers involved in early intervention. For example, if a student is saying /t/ for /k/, then the teacher can pull out the /k/ sheet and practice the sound with the student every day.

Print the cards out and place in sheet protectors (2 pages per protector) and connect with binder rings.

Give one copy to each of your Kindergarten teachers.

These cards can be used with the other artic cards on the material exchange pages (e.g., /r,s/).
