

Another rule is that you should introduce your friend to your family. This is the polite thing to do. You can say things like, "Mom and Dad, this is my friend (name)." "(Name) this is my Mom and Dad." Your Mom and Dad can tell your friend any special rules in your house, for example not playing in their bedroom.

Another rule you should follow is to share your toys and things with your guest. This will make your guest happy and probably want to play with you again. If there are very special toys you would not like to share you can ask your Mom or Dad to put them away before your friend comes over.
