

Taking Turns and choosing

My Name Is Ryan

I like to play games.

When it's my turn, I get to choose.

When it's someone else's turn, they get to choose.

Everyone is happy when they get to choose on 😊 their turn

My Teacher and my helper are happy too! 😊😊

Sometimes I feel sad when I can't choose

It's ok to feel sad.

I will try to remember that everyone needs to choose when it's their turn.

Then we will all have a happy time playing games.
