

“Good, but sleepy.”

“I’m ok, but my head hurts.”

“I’m great!”

“I’m really sad. My dog died.”

“I’m excited! We are going on a field trip today!”

“I am really sleepy.”

“I’m ok.”

“I’m having a great day!”

“I’m doing well, but my tooth hurts.”

“I’m ok, but I am a little worried about my presentation today.”

“I’m good. I really hope it snows today!”

“I don’t feel very well.”

<p>“I got to go to the park and play with my friend.”</p>	<p>“Not much. We stayed home and rested.”</p>
<p>“I watched tv most of the time.”</p>	<p>“My family and I played some games. It was fun!”</p>
<p>“I got to go to the movies. It was great!”</p>	<p>“We went to the store on Saturday and church on Sunday.”</p>

“I went to a birthday party!”

“We went to the store and I got to buy something!”

“We went to the store and I got to buy something!”

“What movie did you see?”

“Whose birthday party did you go to?”

“What church do you go to?”

“I went to the store too!”

“What shows did you watch?”

“What did you get at the store?”

“What games did you play?”

“First I went to my grandma’s house, then I ate supper, then on Saturday I watched cartoons and went to the store with my dad and then we played basketball and then I ate supper and then I went to bed.”

“Well, I built a robot with my cousin, he’s lives down the street and then we went to the park on our bikes, but my mom said I had to go home, so I went home and took a shower.”

"First my mom took me to the store and we tried to find me some shoes, but they didn't have ones to fit me, so then we went home and the next day I went to the mall and got some shoes and here they are."

"My teacher said we get to look at grass under a microscope today and it's going to be so cool!"

"Last week, I got to play video games at my neighbor's house and he has a really cool one where you shoot aliens."

"Well, this isn't really about the weekend, but did you know I get to go camping next weekend?"
