

# Mother's Day

Sunday, May 11, is Mother's Day.

Mother's Day is a holiday we have every year to

thank our Mom for all she does for us.

We thank Mom for cooking our food,

washing our clothes, cleaning

the house, helping us with our

homework,  
we

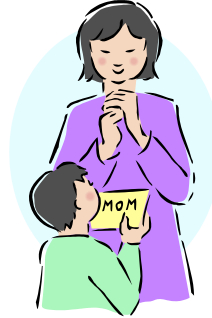

and taking care of us when

get sick.

There might be many ways we celebrate

Mother's Day. We can make a card for Mom

and give her a bouquet of flowers to show how thankful we are and how much we love

her. We can give her something she

likes like a good book

to read or chocolates.

Or,

we could clean the house and wash our own clothes  
so

she can take the day off.

Happy Mother's Day, Mom!!!
